

Join us for a public meeting!

Hwy 61 Corridor Study (Little Marais to Tofte)

Meeting to share information and gather feedback

MnDOT is hosting an in-person public meeting to share information and gather feedback on the Corridor Study being conducted on Highway 61 between Little Marais and Tofte.

The purpose of the study is to create a common vision and guidance for improving safety and efficiency for all users of the corridor. Public involvement is a key component of the study. Join us to learn more about the study, connect with project staff, and share your feedback on the vision for the future of the corridor.

Public Meeting

Schroeder Town Hall

124 Cramer Rd,
Schroeder, MN 55613

 **Thursday, Feb. 26**

5:30p.m.
